- Supervisor Weinstein wrote that the \$4 million settlement payment to Acquest will mean the town will have to raise taxes. If the town would approve the Westwood plan, the end result would be a new source of revenue that would replenish the town's cash reserves. It's time to clean up and develop Westwood.
- I am tired of all the hassling about the Westwood property; it's time the town learned something. We have enough parks as it is that are not fully used, and if the town does not let the Mensch Group to go through with the project, we will be facing another lawsuit which we will probably lose and have to pay out more money.
- If the Westwood group thinks that golf course is a brownfield, it's time to close all golf courses, because they are not safe.
