Dear Mr. Gillert:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the *Phase II Archaeological Investigations Report for the Westwood Prehistoric 1 Site (A02902.001323)*, the *Westwood Prehistoric 3 Site (02902.001325)* and the *Westwood Historic Site (02902.001326)*, prepared by Robert Dean and dated December 2014, in accordance with the New York State Historic Preservation Act of 1980 (Section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

Based upon this review, it is the opinion of the OPRHP that these three archaeological sites are not National Register eligible. Therefore, the OPRHP has no further archaeology concerns with this project and does not recommend any additional archaeological testing.

If you have any questions, I can be reached at (518) 268-2179.

Sincerely,

Nancy Herter
