Dear Mr. Packard:

Thank you for your interest in natural gas for your building needs.

We are pleased to advise you that National Fuel can provide adequate gas service to the proposed project at 772 N. Forest Rd. in Williamsville, NY. We have an existing 2" medium pressure mainline that comes off N Forest into the golf complex and can provide adequate gas supply for the above referenced project.

There will be a cost associated with the gas service and meter fabrication installation.

If you have any questions, feel free to contact me at (716) 759-5155. Thank you.

Yours truly,
