Re: Ditch 5c, Amherst, New York

Dear Supervisor Weinstein and Councilmembers:

Please be advised that the above referred to Ditch 5c which is clearly marked on the Town of Amherst Highway Department Storm Water Drainage Map Plate 15 was removed from the Town Road Map which shows the Town ditches and was prepared by the Highway Department in 1987.

Ditch 5c is an important Ditch and is now under review by the Army Corps of Engineers regarding wetland and connection issues on the properties known as 4176 – 4188 Sheridan Drive and 772 North Forest Road (Westwood), Amherst, New York.

I respectfully request the following:

An explanation as to why Ditch 5c no longer appears on the Town Road Map.

Reinstatement of Ditch 5c on the Town Road Map.

I would appreciate this request being a part of the November 3rd Town Board meeting agenda. Thank you.

Sincerely,

Sandra M. Koerber
Resident
